

## **Orange County Chapter Executive Board**

### *Sons of the American Revolution*

June 8, 2019

### Minutes

1. The Executive Board meeting was called to order by President Mark Torres at 2:12. Attending were Mark Torres, Phil Mitchell, Daniel McMillan, Kent Gregory, Dan Casey, and Richard Adams.
2. The Board Meeting minutes from the May meeting were approved.
3. Treasurer Dan Casey announced he would be passing management of the treasury to Secretary Dan McMillan for the summer since he will be out of the country.
4. Since the last meeting, it was discovered that the donation page on the chapter website was linked to a Paypal account, which was secured from a Yahoo e-mail account of the chapter treasurer in 2016. A recent donation of \$700 was made using the link, but it did not go into the chapter bank account. Paypal will not allow access to the funds, because the former Treasurer could not remember his password. President Torres has been working on this issue, and will continue to take steps so the chapter can recover the funds that were donated to the chapter through the website link. A plan of action was discussed by the Board. President Torres will keep the Board informed of any progress that is made.

There was no other business, so the meeting adjourned at 2:46.
