PRESIDENT'S MESSAGE

Greetings, compatriots!
What a month it's been!

We kicked off with an earlier-than-usual meeting on April 1, where stalwart compatriot Jim Blauer spoke about some of the many, many genealogical societies he belongs to, some of their different quirks and characteristics, and why the Sons of the American Revolution is his favorite (well, I may be reading between the lines there... but I'm sure SAR is in his Top 10!).

Less than a week later, many of our fellow Orange County Chapter members gathered along with representatives of 18 other California chapters for the 142nd spring meeting of the California Society, Sons of the American Revolution—which our chapter hosted in Irvine.

It was two days filled with highlights: we hosted President General Mike Tomme and his lady Cilla, we dove into fruitful discussion about SAR projects and plans, we honored remarkable individuals at the Public Service Luncheon, we recognized outstanding young people at the Youth Awards Luncheon (the winner of our chapter's brochure contest, Tin Tran, placed third statewide!), and we enjoyed great camaraderie.

Not to mention that our chapter was named Outstanding Very Large Chapter for the state of California. And our very own Jim Fosdyck was installed as president of the California Society, Sons of the American Revolution!

It was a thrill for me to accept, on behalf of our whole chapter, the plaque that lists us as the outstanding chapter—and we should all be proud of Compatriot Fosdyck's service, and prepared to support him in his new role.

But what struck me most was the dedication of *all* our members, who are so

ready to jump in when help was needed.

From manning the registration table (I'm looking at you, Gus Fischer!), to organizing a wonderful dinner where we could all relax (thank you, Jim Klingler!), from the members of our Color Guard to providing incredible entertainment at the gala (Larry Wood's wonderful recitation of "Paul Revere's Ride" and the Los Angeles Fifes and Drums, which includes one of our chapter's members, Matthew Noell)—our members did anything and everything to make this an event to remember. (And, of course, the members of the Ladies Auxiliary were hard at work to do the same!)

It is astounding how much we can accomplish as a team!

In May, we resume our normally scheduled programming, with a great meeting on the second Saturday (May 13). Don't forget to mark your calendars for August 19, when we will celebrate our chapter's 50th anniversary (!) with a picnic at Mile Square Park.

Questions? Comments? Shoot me an email at DavidBeall@insurancesocial.media.

. Your Chapter President,

David Beall

SPEAKER DOUG MILLIKEN

Doug Milliken is a retired Automotive Engineer, serving last as Manager of Motorsports Engineering for Honeywell Turbo Technologies, developing custom Garrett™ turbochargers for worldwide motor racing including Indy, LeMans, World Rally and others.

Doug is a Vietnam veteran, serving in 1970 as a Sergeant in the US Army's 4th Infantry Di-

He is the recipient of the Bronze Star medal, the Purple Heart, the Air Medal and the Vietnam Gallantry Cross. 45 years after his discharge, Doug authored his book "Testimony of The Protected," which is his personal testimony of his struggles coping with the visceral realities of Vietnam combat without having come to faith, and how he was supernaturally protected through all danger, to be later pursued and then saved in miraculous fashion, a lightning bolt experience.

Doug is a 4-time National Go-Kart Champion in the 1970s

Today Doug serves as a volunteer to the Freedom Committee of Orange County, helping other veterans scan their photographs and make PowerPoint presentations for use in school classrooms to educate students about the cost of freedom, as part of the Orange County California "Living History" program.

BIRTHDAY GREETINGS

The following Compatriots are celebrating a birthday in May, so we want to send out a Happy Birthday to the following; Richard Antoine, Lou Carlson, Leslie Doak, Ronald Dodds, Duane Martin, Dan McKelvie, Dwayne McKnight, James Oakes, James L. Quinnelly, Michael Shanahan, Clarence Shippey, Mark Torres, and Christopher Turner.

FIELD OF HONOR 2017

The Exchange Club of Newport Harbor is scheduling our Field of Honor for 2017 and would like to have the Sons of the American Revolution involved again. We would like for our group to provide the Color Guard on Friday May 19, 2017 for the kids ceremony and an Honor Guard on Saturday, May 20, 2017. If it can be arranged, they would like the firing of the black powder muskets on both days if possible but especially on Saturday.

We will have the usual 30 foot long canopy and will have a table and some chairs for our members to use. We are allowed to distribute any promotional materials about your group that you want. The DAR will also be there but probably only on Saturday.

CONGRESS

Gentlemen,
Good afternoon. We are now at the point where both hotels are basically full for the main days of Congress, 8-12 July. With that said, I am trying to gauge the number of rooms still needed so I can determine if I need to find a third hotel or just create a waiting list for cancellations in the two main hotels. would ask that you please have any compatriots who are coming to Congress but do not have rooms to please email me with the following information. Name, phone number, date of arrival, date of departure and type of room they would need (king or 2 queens) I will wait until 1 April and at that time determine the need to seek a third hotel or just maintain a waiting list.
Please pass this on to any members who are not on SAR-officer that you know.
Respectfully
Paul Callahan

HAPPY ANNIVERSARY 50TH ANNIVERSARY 1967-2017

On August 19th you and the family are invited to attend our chapter's 50th Anniversary celebration. It will be held at Mile Square Park at Shelter

#1 in Fountain Valley. We will be setting up as early as 7am and will start the festivities around 10-11am. We will have a Banner, flags and balloons to set up. The chapter will provide Hamburgers and hot dogs, buns condiments, soft drinks, water and charcoal.

Please see the flyer and sign up sheet for the food to bring to the event. Please send your selections that you would like to bring to Jim Fosdyck. jfosdyck@sbcglobal.net.

He will make a list and should we have too many of one item and not enough of another he will contact you to try and arrange for something else. Please be specific. As you can see on the sign up sheet Jim Blauer is bringing specific types of desserts. If you plan to bring a salad tell us if it is a green, potato, Macaroni or other type so we avoid too many of one thing.

HUNTINGTON BEACH JULY 4TH PARADE

You Parade coordinator is busy communicating with the parade people as to whether they will waive the \$300 fee they are charging non-profits that we have been able to avoid until now. Last year we were told that we would have to pay this year if we wanted to be in the parade. We will keep you posted as we hear more from the parade organizers.

They have informed us we must show proof that we are a 501 © (3) non profit group to be exempt from any fees, so will need to get that documentation to pass along to the parade organizers.

BOY SCOUTS

As many of you are aware we have a scouting program. First we issue Certificates of Recognition to all Eagle Scouts here in Orange County and sometimes elsewhere where there is no chapter covering that area. They also receive a letter of Congratulations and a brochure on the Eagle Scout Scholarship Contest.

Something you may not be aware of is that National has a booth at the National Jamboree. Your

Eagle Scout Chairman requested information from the local Scout office if we could have a booth at the Scout-O-Rama this year. For those who wish to attend it will be held on May 13 at Oak Canyon Park, 5305 Santiago Canyon Drive, Silverado, CA 92676 from 9am to 4pm. As this is our meeting day it is not going to be possible to have a booth.

What is Scout-O-Rama?

Scout-O-Rama is the annual "trade show" of Scouting in Orange County that is attended by over 20,000 participants. Scouts, their families and friends interested in learning about Scouting enjoy a fun-filled day of exhibits, competitions and displays. Some popular events from recent years include Dutch-oven cooking demonstrations, climbing towers, obstacle courses, Bubble Rollers, Medieval Times and the Vans Skate Team shows. Local Packs, Troops, Teams, Posts and Crews can participate in the Scout-O-Rama event by displaying an exhibit booth. This event is open to the public. The Annual Adventure Card sale is more than just a fundraiser, it is admission to Scout-O-Rama, the biggest display of Scouting in Orange County as well as giving Scouts the opportunity to earn their way to Camp! The \$10 Adventure Card has 10 online coupons from local businesses plus a \$5 Albertsons/Vons and \$10 Dicks Sporting goods coupon. The Adventure card also has a Scout-O-Rama admission which is good for the whole family. Units participating in this program can earn up to \$4.25 for each \$10 Adventure Card they sell. The sale will **begin March 18th and end May 11th**, giving units 2 months to sell and close their accounts.

The Adventure Card Fundraiser is one of the Orange County Council's major fundraisers. This fundraiser allows us to provide our youth with a quality program. For more information on Scout-O-Rama and the Orange County Council, Boy Scouts of America, please visit www.ocbsa.org. THOMAS JEFFERSON COMES TO SOUTHERN CALIFORNIA

On Tuesday, May 23 the Pasadena Civil War Round Table will be hosting Bill Barker in his portrayal of Thomas Jefferson.

Bill Barker is the star of Colonial Williamsburg where he regularly portrays Thomas Jefferson to crowds who are mesmerized by his performance. This is a rare opportunity for us in California to see Bill Barker's amazing historical interpretation of a Founding Father of our country. You will be transported back in time as Mr. Jefferson shares his considerable insights into the events that transpired in America as related to slavery. You will also be able to ask Mr. Jefferson questions about the events of those days; and it is certain you will be edified and entertained by what you learn. There is no doubt you will be talking about his performance for many years to come.

The date is Tuesday May 23, 2017. It will be at the Pasadena Public Library at 285 E. Walnut Street in Pasadena and will commence at 7:15pm.

PEACE OFFICER MEMORIAL DAY

Peace Officers Memorial Day is held annually in the United States on May 15 in honor of federal, state and local officers killed or disabled in the line of duty. It is observed in conjunction with Police Week.

What Do People Do?

Many people in the United States will pay tribute to officers who lost their lives or were injured in their jobs. According to Concerns of Police Survivors (COPS), about 140-160 officers are killed in the line of duty each year and their families and co-workers are left to cope with the tragic loss.

Many businesses and community members across the nation, especially those who lost family members, friends or colleagues who were local officers, **will lower their flags in remembrance of law enforcement officers killed in the line of duty.** Some police departments hold an annual law enforcement memorial ceremony on this day.

Each year, the Fraternal Order of Police and its Auxiliary organizes a national memorial service on the day, drawing thousands of people

from many parts of the United States. The service is followed by the placement of a memorial wreath at the National Law Enforcement Officers Memorial in Washington DC. On this day, people are also reminded of the need to be vigilant against all forms of crime.

Public Life

Peace Officers Memorial Day is an observance but it is not a federal public holiday in the United States. Some people may take some time off work, such as an extended lunch break if a memorial service is held at noon, to attend a memorial service on this day.

Background

The idea of a Peace Officers Memorial Day came into effect on October 1, 1961, when Congress asked the president to designate May 15 to honor law enforcement officers. President John F. Kennedy signed the bill into law on October 1, 1962. Each year, the president of the United States proclaims May 15 as Peace Officers Memorial Day and the calendar week of each year during which such May 15 occurs as Police Week.

According to the Legal Information Institute, the president is requested to issue a proclamation to: designate May 15 as Peace Officers Memorial Day; to direct government officials to display the United States flag at half staff on all government buildings; and to invite state and local governments and the people to observe the day with appropriate ceremonies and activities.

ORANGE COUNTY PEACE OFFICERS

YOUR SUPPORT IS VITAL IN HONORING THOSE PEACE OFFICERS WHO HAVE GIVEN THEIR LIVES IN THE LINE OF DUTY WHILE SERVING THE RESIDENTS OF ORANGE COUNTY.

The Orange County Chiefs’ of Police and Sheriff’s Association and the Sheriff’s Advisory Council welcomes you to the Orange County Peace Officers Memorial Monument in Tustin. This beautiful memorial with walls of honor,

history walls, water features, bronze statuary as well as appropriate areas for rest and reflection serves as a reminder of those brave law enforcement officers who have given their lives in the line of duty in Orange County. The Memorial Monument includes a prominent path approaching the monument, the ‘Walk of Heroes’. The Walk of Heroes is designed to display a limited number of [commemorative brick pavers](#). Purchasing one or more commemorative pavers will allow you the opportunity to demonstrate your dedication to and support for law enforcement in Orange County.

The wicked flee when no man pursueth: but the righteous are as bold as a lion... ~ Proverbs 28:1

The Orange County Sheriff’s Regional Training Academy and the OC Peace Officers’ Memorial are located at 15991 Armstrong Avenue Tustin, California 92782.

At the end of this newsletter you will find a list of all 53 of the Fallen Heroes here in Orange County.

MEMORIAL DAY WEEKEND
May is going to be a busy month for our chapter. It usually is. First we have our meeting on the 13th.

The following weekend we have the Friday and Saturday Field of Honor Color Guard duty. This is open to the public so all are invited to attend to honor the men and women who have served and are serving in our Armed Forces. This year, rather than just the weekend event, they have extended it to go through to the following weekend which is Memorial Day weekend. So you will have plenty of time to visit and walk among the 1776 flags that are on display for this event.

Memorial Day weekend is also quite busy. On Friday Morning (10am) Compatriot Jim Blauer will lead the singing of the National Anthem at Newport Harbor High's Memorial Day Service for those alumni who made the ultimate sacrifice in service to our country.

The school which was founded in the 1930s covers all conflicts from WWII to the present. The ceremonies take place in front of Main Hall and the auditorium by the large Flag pole where the names of those memorialized are on a plaque at the base. This event is open to the public.

On Saturday May 27th your Color Guard will be participating in the Garden Grove Strawberry Festival Parade.

On Sunday May 28th we have been invited once again to have our Color Guard present the Colors at the Shepherd's Grove (formally Crystal Cathedral) service to be telecast around the fourth of July. The details are still being worked out between our Commander, Jim Fosdyck, and the church.

On Monday May 29th members and Colorguardsmen will assemble at the Old Santa Ana Cemetery for the Tri-City Memorial Day ceremonies. The color guard will present the colors and lay a wreath during the ceremonies.

MEMORIAL DAY PROCLAMATION

President General J. Michael Tomme has issued the following proclamation for Memorial Day.

Memorial Day 24 April 2017

Memorial Day was originally known as Decoration Day, was borne out of the Civil War and desire to honor our dead. It was officially proclaimed on 5 May 1868 by General John Logan, national commander of the Grand Army of the Republic, in his General Order No. 11. "The 30th of May 1868, is designated for the purpose of

strewn with flowers, or otherwise decorating the graves of comrades who died in the defense of their country during the late rebellion, and whose bodies now lie in almost every city, village and hamlet churchyard in the land," he proclaimed. The date of Decoration Day, as he called it, was chosen because it wasn't the anniversary of any particular battle. On the first Decoration Day, General James Garland made a speech at Arlington National Cemetery and 5,000 participants decorated the graves of the 20,000 Union and Confederate soldiers buried there. After World War I, Decoration Day it was extended to include all men and women who died in any war or military action. The current name Memorial Day did not come into use until after World War II. Decoration Day and then Memorial Day used to be held on May 30, regardless of the day of the week, on which it fell. In 1968, the Uniform Holiday Bill was passed as part of a move to use federal holidays to create three day weekends. This means that from 1971, the Memorial Day holiday has been officially observed on the last Monday in May. At dawn on Memorial Day, the flag of the United States is raised briskly to the top of the staff and then solemnly lowered to the half-staff position, where it remains only until noon. It is then raised to full-staff for the remainder of the day. The halfstaff position remembers the more than one million men and women who gave their lives in service their country. At noon, their memory is raised by the living who resolve not to let their sacrifice be in vain, but to rise up in their stead and continue the fight for liberty and justice for all. The "National Moment of Remembrance" resolution was passed December 2000 which asks that at 3 p.m. local time, for all Americans "to voluntarily and informally observe in their own way a Moment of Remembrance and respect, pausing from whatever they are doing for a moment of silence or listening to "Taps." Memorial Day 24 April 2017 Page 2 Just for many of us, in addition to decorating graves, is attending one of the thousands of parades held on Memorial Day in large and small cities all over the country. Most of these features marching bands and an overall military theme with National Guard and other servicemen and women participating along with veterans and military vehicles from various wars. Regardless of where or

how you plan to spend your Memorial Day don't forget the true meaning behind the day, a day to remember those military men and women who died while serving in our armed forces regardless of the conflict.

J. Michael Tomme, Sr.

President General 2016-2017

National Society Sons of the American Revolution

HEADQUARTERS GRAND ARMY OF THE REPUBLIC

General Orders No.11, WASHINGTON, D.C., May 5, 1868

i. The 30th day of May, 1868, is designated for the purpose of strewing with flowers or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village, and hamlet church-yard in the land. In this observance no form of ceremony is prescribed, but posts and comrades will in their own way arrange such fitting services and testimonials of respect as circumstances may permit.

We are organized, comrades, as our regulations tell us, for the purpose among other things, "of preserving and strengthening those kind and fraternal feelings which have bound together the soldiers, sailors, and marines who united to suppress the late rebellion." What can aid more to assure this result than cherishing tenderly the memory of our heroic dead, who made their breasts a barricade between our country and its foes? Their soldier lives were the reveille of freedom to a race in chains, and their deaths the tattoo of rebellious tyranny in arms. We should guard their graves with sacred vigilance. All that the consecrated wealth and taste of the nation can add to their adornment and security is but a fitting tribute to the memory of her slain defenders. Let no wanton foot tread rudely on such hallowed grounds. Let pleasant paths invite the coming and going of reverent visitors and fond mourners. Let no vandalism of avarice or neglect, no ravages of time testify to the present or to the coming generations

that we have forgotten as a people the cost of a free and undivided republic.

If other eyes grow dull, other hands slack, and other hearts cold in the solemn trust, ours shall keep it well as long as the light and warmth of life remain to us.

i. Let us, then, at the time appointed gather around their sacred remains and garland the passionless mounds above them with the choicest flowers of spring-time; let us raise above them the dear old flag they saved from dishonor; let us in this solemn presence renew our pledges to aid and assist those whom they have left among us a sacred charge upon a nation's gratitude, the soldier's and sailor's widow and orphan.

ii. It is the purpose of the Commander-in-Chief to inaugurate this observance with the hope that it will be kept up from year to year, while a survivor of the war remains to honor the memory of his departed comrades. He earnestly desires the public press to lend its friendly aid in bringing to the notice of comrades in all parts of the country in time for simultaneous compliance therewith.

iii. Department commanders will use efforts to make this order effective.
