## PRESIDENT'S MESSAGE

Greetings Compatriots,

May 11<sup>th</sup> is our next meeting. May 29, 1765 Patrick Henry made his famous speech "If this be treason, make the most of it!" against the Stamp Act. In the 18<sup>th</sup> century by the end of April farmers would have hopefully planted seeds for their crops weather permitting. By May the American militias would start reorganizing or have started on the March.

May 9, 1775, Skenesborough was captured by American forces led by Lieutenant Samuel Herrick. This was the first Revolutionary War action in New York State. The schooner *Katherine* was confiscated, christened the *Liberty*, and used by Colonel Benedict Arnold to capture the British supply ship *HMS George* (renamed *Enterprise*) at St. Johns, Quebec on May 18, 1775. On May 10, 1775 the Second Continental Congress met in Philadelphia while in the colony of New York Ethan Allen and the Green Mountain Boys seized Fort Ticonderoga.

May 20, 1778 at the Battle of Barren Hill, American Forces commanded by Maj. Gen. Marquis de Lafayette and consisting of about 2,200 Soldiers escaped being surrounded. British Forces were commanded by Maj. Gen. James Grant and consisted of about 16,000 Soldiers. The British, having failed to capture Lafayette, resumed their retreat from Philadelphia to New York. Washington's army shadowed Clinton on his withdrawal and forced a battle at Monmouth on June 28, the last major battle in the North.

May 15, 1781 British Major Andrew Maxwell cedes Fort Granby, SC to patriot Lieutenant Colonel Henry "Light Horse Harry" Lee.

The California Society held the 144<sup>th</sup> annual spring meeting of the membership in Ventura on Friday & Saturday April 26 and 27<sup>th</sup>. Our Orange County Chapter

received the following awards and accolades:

*The Colonel Richard F. Locke Award for Membership was presented to the Orange County Chapter (very large chapter), The CASSAR Best Very Large Color Guard 2018 streamer, The Color Guard Streamer for Wreaths Across America 2018 was presented to the Orange County Chapter, And a Color Guard Streamer for the Massing of the Colors & Salute to Our Armed Forces 2019.*

Congratulations to all of our members as we have a dynamic growing Chapter we all should be proud of. I would be remiss if I forgot to thank the Ladies Auxiliary for all that they do. Thanks Ladies! I have sent out an email about SAR Foundation on behalf of compatriot John Dodd. The SAR Foundation is a worthy endeavor. If you are able to contribute, please do, no amount is too small and you can stretch it out and make monthly payments. I know many compatriots are on a fixed income myself included.

The speaker for our next meeting is Diane Stephens please read her Bio in this newsletter. She will portray Dolley Madison during her presentation.

2019 will be an exciting year for our chapter with the 129<sup>th</sup> National Congress in July. We will need help from everyone to make it a success. Please volunteer as much time as you can spare, who knows you might make new friends or meet relatives you never knew you had. There will be a complimentary volunteer lunch on Friday the 5th and all volunteers will receive a special polo shirt. If you wish to volunteer please contact Dr. Kent Gregory for more information. [drkentgregory@earthlink.net](mailto:drkentgregory@earthlink.net)

If you are interested in joining the color guard let myself or Jim Fosdyck know and we will give you all the information to put together uniform or period clothing. You can start out inexpensively and add to wardrobe slowly. The chapter color guard attends numerous events throughout the year please show your support and plan on attending an event this year. Color guard information is listed on the Chapter website.

[www.orangecountysar.org](http://www.orangecountysar.org)

We are also looking for several Chairman Positions to be filled. The Publicity Chair & Spirit of America Award Chair if you are interested please contact me.

Yours in patriotism, your humble servant,

*Mark Torres*/Mark Torres

HAPPY BIRTHDAY

For the month of May we send out birthday greeting to the following Compatriots; Richard Antoine, Lou Carlson, Nathanael Crandall, Leslie Doak, Ronald Dodds, Paul Gilbert, Duane Martin, Dan McKelvie, Dwayne McKnight, James Oakes, Michael Shanahan, Mark Torres and Christopher Turner.

## SAR Foundation

Compatriots: We are requesting assistance with a special project for the SAR Foundation in preparation for Congress. One of the goals for the Foundation is to seek support from individuals, corporations and foundations outside our SAR family. We are seeking to identify those who would be interested in current donations and, almost more importantly, to raise awareness among those to may wish to leave a bequest in a will or trust to the Foundation to achieve the long-term goal of funding the endowment for the SAR Educational Center and Museum. It is important we educate the public at large concerning the important work we are doing.

To that end, the Foundation is placing the attached ad (see page 7) in the Daily Pilot in June bring this important project to the public's attention. This will require in the neighborhood of \$4,000, depending on the number of weeks and if we also fund an associated "banner ad" in the Times. We have chosen the Pilot because of the financial demographic of the beach communities. We are doing this now because the national officers and Foundation board members all will be in Orange County in July for Congress, available to meet with prospective donors.

Your executive committee has authorized up to \$1,000.00 to support this effort. Other O. C. Chapter members have pledged an additional \$1,000, and we secured \$1,700 in pledges from other SAR members from around the state at the recent meeting in Ventura. Please consider adding your contribution to this effort, whether that be \$50, \$100, \$250, \$500, or any amount. If we raise more than the minimum required, we will add weeks to the ad placement. To that end, the attached pledge form (page 8) will be circulated at the May chapter meeting. Feel free to fill it out ahead of time. You are also welcome to keep the amount of your donation confidential; just include your email address and add, "email me" for the amount.

I will not be at the meeting as I will be on the way to the SAR Scotland trip. The funds will be collected in May, most probably by checks made payable to the SAR Foundation, but we are exploring credit card contributions via the Founda-

tion website. For more information on the Foundation and the Education Center, please check the link below. Thank you for considering this important request.

### COLOR GUARD ACTIVITIES

The month of May is a busy month for our Color Guard. Below you will find the upcoming events. If you would like to join us for any of these events please contact Commander Jim Fosdyck.

### FIELD OF HONOR

From the Newport Harbor Exchange Club we received the following message.

"We are starting the planning on this years Field of Honor and would like to invite the Sons of the American Revolution to participate again.

The children's program will be on Friday, May 17, 2019 starting at 10:00 AM as in past years. We would like your group to be the color guard if available. The U.S. Marines will be the color guard on Saturday May 18, 2019 and on Memorial Day, Monday May 27, 2019. It is always colorful with your men as the Honor Guard on both days."

This event is held on Armed Forces Weekend and ends on Memorial Day. It was originally planned for just the weekend, but has been so popular, that they have extended it through Memorial Day.

The website information is as follows: "If you happen to be in the Newport Beach area be sure to see the Field of Honor in Castaways Park, 900 Dover Drive. The annual event recognizes the service of all men and women of the American military forces on Armed Forces day weekend (usually the third Saturday in May.) Approx. 1,776 American flags with yellow ribbons and commemorative pictures or memorabilia are assembled and installed by volunteers on hilltops overlooking Newport Bay. Approx. 8,000-10,000 visitors attend Field of Honor and some purchased

flags for the fundraiser produced by the Exchange Club of Newport Harbor. The City of Newport Beach has supported the cause, as well as more than 20 corporate sponsors.

Past info: Parade before ceremony leaves Newport Harbor High School (15th & Irvine Ave.), to Westcliff Drive, to Dover Drive, to Castaways Park. Includes Wells Fargo stage coach, local dignitaries and military personnel.

Events are not guaranteed. It is your responsibility to confirm before going.”

“Your chapter has been involved with this Color Guard detail from the beginning. Every year the Exchange Club has been good enough to give us a table under a canopy to display items from the Revolutionary War period and information about the society and chapter.”

You may purchase a flag and have it dedicated to a member of your family who served in our armed forces over the years. This could be an immediate family member or one of your ancestors you wish to honor. The yellow ribbons they mentioned is where the name and military information go. If you wish you may supply a photo of the person you are honoring with the flag purchase and it will be placed with the flag and ribbon on the field. They will instruct you on when you can pick up the flag as it is yours to keep.

So mark your calendar so you do not miss this special event in May.

This year your Color Guard will present the Colors at 10am on Friday May 17th. On Saturday the Color Guard will join the USMC to present the Colors.

## GARDEN GROVE

### STRAWBERRY FESTIVAL PARADE

This year's parade will begin at 10am on Saturday, May 25, 2019. This is a medium length parade. Once we are finished we go to a nearby eatery and have some lunch. Contact Jim Fosdyck for more information.

## 2019 TRI-CITY

### MEMORIAL DAY OBSERVANCE

Our chapter first got involved with this event when Compatriot Walter Davis brought it to our attention back in the late 1980s or early 1990s. So we have been doing this event for close to 30 years.

It will be held on May 27, 2019 at the Old Santa Ana Cemetery and begins at 10am. Though your Color Guard will be there to present their Colors and lay a wreath members are encouraged to attend. This is open to the public and they always have a very nice presentation to honor all our fallen from the Wars we have been in.

You do not have to be a member of the Color Guard to attend these events. We can use members to man the table we have at the Field of Honor or you can also attend the ceremonies the Color Guard will participate in.

For the parade we always need banner carriers, whether in colonial dress or just some red, white and blue.

For the Memorial Day service it is a time to show our respect to those who have served and given the ultimate sacrifice.

We hope to see you there.

## NHHS MEMORIAL SERVICE

For 27 years the Newport Harbor High School has held a memorial service to recognize those alumni who died in service to our country. From WWII to present there are about 38 men who are recognized each year.

For almost 20 years Compatriot Jim Blauer, who is from the class of 1970, has been doing the National Anthem at this ceremony. He has been asked to do this once again.

Many of the students are let out of class to go to this service which is held in the front of the auditorium by the School Flag Pole. The ceremonies include a speaker from the military and a reading of the names and a ringing of the bell after each name is read. They also have a

bagpiper who plays “Amazing Grace”.

This year a new name will be added to that list. It was recently found that Stephen Wayne Lucia who graduated from the class of 1966 was killed in Vietnam. He will now be remembered by his fellow Sailors at Newport Harbor High School.

The public is welcome to attend and ceremonies begin at 10am. Hope to see you there.

Committee Chairmen who were recognized included; Dan McKelvie and John Ferris

The Martha Washington Oak Leaf Clusters were presented to Karen Carlson, Karen Dodd, Lisa Gregory, and Karen McKelvie.

For reasons we are not sure of, the people in charge and running the banquet did not ask Activity Contest Chairman Doug Bergtholdt to present the Awards for best chapter and note the

winners of each category.

It is my understanding they will see if they can present them at Congress. If, not we will not learn until the Fall Board of Managers Meeting whether we took any of the categories in the contest or won our division. Stay Tuned!!!
